**St. Aloysius of Gonzaga Parish is very concerned about the safety of our children who are enrolled in the Faith Formation Program.**

**Guidelines for the Faith Formation Program are as follows:**

- Parents are **required** to drop off and pick up their children in person, signing them in and out of the building. If the parent is unable to do so, another adult, with written permission by the parent, will then be allowed to pick the child up from the building.
  
- **If for any reason the parent/guardian who is picking up the child appears impaired in any way**, we reserve the right to call for an alternative adult to pick the child up from classes. Therefore, it is mandatory for an emergency contact (and phone number) be listed on the registration form.
  
- **Regular class attendance is mandatory. Excessive absence, more than 4 per year, is not tolerated and may result in ineligibility of receiving sacraments.**
  
- **Regular Mass attendance on the weekend and holy days is required.**

**Guidelines are created to insure safety for your child and to provide the best possible experience during the Faith Formation class time. By signing below, the parent acknowledges that they have read the guidelines and understand the importance of these guidelines:**

**We do not encourage parents to allow their children to leave the building unescorted. This is dangerous and not recommended. Parents who insist on having their children be allowed to walk home from Faith Formation classes must sign below, assuming full responsibility for the safety of their child once they leave the building and walk home.**
